

**US ARMY GARRISON
FORT WAINWRIGHT, ALASKA
NOTICE OF AVAILABILITY**

**Record of Decision for the Disposition of Hangars 2 and 3,
Fort Wainwright, Alaska**

The Department of the Army (Army) announces the availability of its Record of Decision (ROD) for the Disposition of Hangars 2 and 3 at Fort Wainwright, Alaska. The ROD explains that the Army will proceed with implementing its selected alternative (Alternative 1, Demolition of Hangars 2 and 3). This alternative will involve removal of the hangars and their supporting infrastructure, located on the Main Post of Fort Wainwright, Alaska as described in the Final Environmental Impact Statement (dated November 2013). Both buildings have been found to be unsafe for occupancy and have no remaining military purpose. This decision provides the proper balance of technical and economic feasibility, environmental and social issues, and the ability to meet Army mission objectives, while eliminating the safety hazard presented by Hangars 2 and 3.

The ROD was published in the Federal Register on [May 2, 2014] and may be reviewed at:
